

TRUST
FOR EXTRA POWER

**HIGH PERFORMANCE
ENGINE OILS**

Southfort General Trading LLC is a leading name in the lubricants industry. Under the leadership of our managing director, who has over 30 years of experience being a lubricants professional, Southfort General Trading LLC (Est. 2014) has championed itself in the U.A.E market. Within 8 years since its inception, we have distributed across 40 countries around the world. At Southfort General Trading LLC, customer satisfaction is our topmost priority. As pioneers in the lubricants industry, we have understood the need to have a high-quality product range which is reasonably priced. Our cognizance has resulted in TRUST. TRUST is a pioneer in the marketing and distribution of the entire range of automotive and industrial lubricants, greases, marine lubricants and speciality products. With TRUST, we assure the eminence of the products supplied by us. Furthermore, we are certain that TRUST will guarantee better protection for all your machines.

TRUST
FOR EXTRA POWER

HIGH PERFORMANCE ENGINE OILS

PASSENGER CAR ENGINE OIL

TRUST ECO Energy Plus 10000 SAE 0W20

Description: TRUST ECO Energy Plus 10000 SAE 0W20 is a PAO (Polyalphaolefin) based, fully synthetic low friction motor oil of the latest generation recommended for the lubrication of gasoline engines. Modern technology ensures maximum resistance to low speed pre-ignition (LSPI) events for long service life in modern direct injected high-output engines.

Application: TRUST ECO Energy Plus 10000 SAE 0W20 Engine Oil is suitable for passenger cars, light trucks and other gasoline powered equipment. Suitable for the most difficult driving conditions. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING | 1L | 4L | 5L | 200L

API - SP

TRUST Premium Super Plus 10000 SAE 5W30

Description: TRUST Premium Super Plus 10000 SAE 5W30 is a high quality synthetic lubricant, specially formulated to meet the latest performance requirements of modern engines. It can be used in city, road and highway, under extreme conditions in all seasons.

Application: TRUST Premium Super Plus 10000 SAE 5W30 is suitable for passenger cars, light trucks and other gasoline powered equipment. Suitable for the most difficult driving conditions. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING | 1L | 4L | 5L | 200L

API - SN PLUS/CF

TRUST Premium Eco Plus 7000 SAE 10W40

Description: TRUST Premium Eco Plus 7000 SAE 10W40 is a high quality synthetic lubricant, specially formulated to meet the latest performance requirements of modern engines. It can be used in city, road and highway, under extreme conditions in all seasons.

Application: TRUST Premium Eco Plus 7000 SAE 10W40 Engine Oil is recommended for passenger cars, light trucks, gasoline powered equipment and four strokes motorcycles engines under the most severe and varied operating conditions. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING | 1L | 4L | 5L | 200L

API - SN/CF

TRUST Premium Eco 5000 SAE 20W50

Description: TRUST Premium Eco 5000 SAE 20W50 is a premium fuel-efficient petrol engine oil, with synthetic technology, for professional workshops. Suitable for turbo and non turbo gasoline, light diesel and 4 stroke engines. They are designed to provide an excellent level of protection and performance under the most demanding conditions.

Application: TRUST Premium Eco 5000 SAE 20W50 Engine Oil is recommended for passenger cars, light trucks, gasoline powered equipment and 4 strokes engines under the most severe and varied operating conditions. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING | 1L | 4L | 5L | 200L

API - SL/CF

DIESEL ENGINE OIL

TRUST Platinum Turbomax 15W40

Description : TRUST Platinum Turbo Max 15W40 is recommended for use in heavy duty 4-stroke turbocharged and naturally aspirated diesel engines, both on and off highway, burning high or low Sulphur diesel. It is additionally fortified with oxidation-corrosion inhibitors, foam inhibitors to protect vital engine parts from scuffing and wear.

Application: TRUST Platinum Turbo Max 15W40 is particularly suitable for use in naturally aspirated and turbocharged 4-stroke diesel engines in the trucks of haulage transport, in bus transport, in construction and ship transport. It is also suitable for light commercial vehicles with diesel engines. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING | 1L | 4L | 5L | 20L | 200L

API CI-4/SL

TRUST Platinum Fleet Turbo 20W50

Description : TRUST Platinum Fleet Turbo 20W50 is manufactured from highly refined, high viscosity index base oils and carefully balanced mixed fleet additives producing a high-quality petrol and diesel engine oil. It offers excellent high temperature stability and stay in grade performance.

Application: TRUST Platinum Fleet Turbo 20W50 high power heavy duty diesel engines in mixes fleets in both on-road and off-highway applications. High-tech, electronically controlled and low emission engines. Normally aspirated, turbocharged and supercharged engines with or without intercooling. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING | 1L | 4L | 5L | 20L | 200L

API CH-4/SL

TRUST Platinum Turbo SAE 50

Description : TRUST Platinum Turbo SAE 50 is high performance mono grade diesel engine oils are specially designed to lubricate a wide range of diesel engine oils operating under severe service conditions.

Application: TRUST Platinum Turbo SAE 50 is recommended for diesel engines with pressure circulation lubrication and fine filters. It is ideal for use in engines with increased operation temperatures and under high load. It is suitable for the engines of construction & agriculture equipment. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING | 1L | 4L | 5L | 20L | 200L

API SF/CF

TRUST Platinum Turbo SAE 40

Description : TRUST Platinum Turbo SAE 40 is high performance mono grade diesel engine oils are specially designed to lubricate a wide range of diesel engine oils operating under severe service conditions.

Application: TRUST Platinum Turbo SAE 40 is recommended for diesel engines with pressure circulation lubrication and fine filters. It is ideal for use in engines with increased operation temperatures and under high load. It is suitable for the engines of construction & agriculture equipment. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

4T MOTORCYCLE OIL

TRUST Levo 4T 500 20W50

Description : TRUST Levo 4T 500 20W50 is a premium performance, shear-stable, multi-grade gasoline engine oil specifically designed for use in 4-stroke motorcycles and portable power equipment requiring JASO MA/MA2 Lubricants, including high output engines operating in severe service.

Application : TRUST Levo 4T 500 20W50 is used for motorcycles and scooters in city traffic. It is suitable for all types of 4-stroke motorcycles where JASO MA 2 performance is recommended. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING

API SN/SM/SL/SJ

TRUST Levo 4T 400 10W30

Description : TRUST Levo 4T 400 10W30 is a synthetic 4-stroke high-performance engine oil with the MC (Molecular Converted) technology, high-quality base oils are chemically refined to deliver excellent performance. It provides superior resistance to oil thickening and sludge and extended engine life, as well as superior protection against engine wear and excellent low temperature easy starting.

Application : TRUST Levo 4T 400 10W30 is suitable for all makes of 4-stroke bikes, both carbureted and fuel injected where JASO MA or MA-2 are recommended. It has been especially developed for use in all motorcycles with medium to large engines. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

GREASE

TRUST Lithium Multipurpose NLGI-2 / NLGI-3

Description : TRUST Multipurpose NLGI-2 / NLGI-3 series are high performance greases, formulated with Lithium based thickeners and mineral base stock to provide added protection against wear, rusting and water washout.

Application : TRUST Multipurpose NLGI-2 / NLGI-3 can be used in both industrial and automotive applications. It ensures the lubrication of components, working under very heavy or shock load, like bearings, slide-bearings, axles and joints. It can be used for the lubrication of electromotors or ventilators. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING	500GM	1KG	15KG	180KG
---------	-------	-----	------	-------

TRUST Calcium Multipurpose NLGI-2 / NLGI-3

Description : TRUST Multipurpose NLGI-2 / NLGI-3 series are high performance greases, formulated with Calcium based thickeners and mineral base stock to provide added protection against wear, rusting and water washout.

Application : TRUST Multipurpose NLGI-2 / NLGI-3 can be used in both industrial and automotive applications. It ensures the lubrication of components, working under very heavy or shock load, like bearings, slide-bearings, axles and joints. It can be used for the lubrication of electromotors or ventilators. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

MANUAL TRANSMISSION FLUIDS

TRUST Slick5 80W90 / 85W140

Description : TRUST Slick5 80W90 / 85W140 has a high load carrying ability and will protect all critical components over a wide range of operating temperatures and workloads. It is a mineral based hypoid transmission fluid with special effective additives for manual transmissions.

Application : TRUST Slick5 80W90 / 85W140 is particularly suitable for all hypoid transmissions and is also suitable for spiral bevel gear, worm wheels and most transaxles. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING	1L	4L	200L	API GL-4
---------	----	----	------	----------

TRUST Slick5 80W90 / 85W140

Description : TRUST Slick5 80W90 / 85W140 formulated with progressive additives the all-season gear oil offers excellent anti-scutting and anti-oxidation properties and superior viscosity-temperature characteristics. The oil is developed specially for high loaded hypoid gears and mechanisms running under severe loads.

Application : TRUST Slick5 80W90 / 85W140 is particularly suitable for all hypoid transmissions and is also suitable for spiral bevel gear, worm wheels and most transaxles. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING	1L	4L	200L	API GL-5
---------	----	----	------	----------

COOLANTS

TRUST Premium Eco Cool 33% / 50%

Description : TRUST Premium Eco Cool 33% / 50% are a specially formulated ready to use engine coolant, for both petrol and diesel engines. It is a mixture of mono-ethylene glycol and selected chemical agents to provide outstanding all round protection. It is a hybrid antifreeze, containing the combination of organic additive technology inhibitors boosted with borate, nitrite, nitrate, molybdate and silicate inorganic corrosion inhibitors.

Application : TRUST Premium Eco Cool 33% / 50% is suitable for the cooling systems of all types of passenger vehicles, 4WD's, light & heavy commercial vehicles, stationary engines and motorcycles. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING	1L	4L	200L
---------	----	----	------

HYDRAULIC OIL

TRUST Magnum HM 68, 46, 32

Description : TRUST Magnum HM 68, 46, 32 is a high-quality, high viscosity index anti-wear hydraulic oil. It is specially developed for applications subjected to a wide range of temperature or where small viscosity change with fluctuating temperature is required.

Application : TRUST Magnum HM 68, 46, 32 is recommended for all kind of hydraulic systems operating under high pressure & Hydraulic systems oil excavators, cranes and hydrostatic drives subjected to most severe outdoor operating conditions. Also Marine cargo winches and steering systems, Off-road construction, mining and marine equipment. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING	4L	20L	200L
---------	----	-----	------

AUTOMATIC TRANSMISSION OIL

TRUST Swift DIII

Description : TRUST Swift DIII is formulated to provide smooth shifting in the automatic and semi-automatic transmission due to high quality of base oil and the advance additives technology is used in the formulation.

Application : TRUST Swift DIII is particularly suitable for use in automatic transmissions of car & light trucks and On-highway & Off-highway heavy-duty automatic transmissions. It is also recommended for power steering, torque converters and hydraulic systems, where such types of fluids are specified. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

PACKING	1L	4L	20L	200L
---------	----	----	-----	------

DEXRON III

BRAKE FLUIDS

TRUST DOT 3

PACKING	250ML	500ML
---------	-------	-------

Description : TRUST DOT 3 is a premium quality type of hydraulic fluid used in hydraulic brake and clutch applications in automobiles, motorcycles, light trucks, and some bicycles. It is used to transfer force into pressure. It is recommended for complete fluid replacement and "top-up" in most cars and light trucks.

Application : TRUST DOT 3 is formulated for use in automotive disc brake systems and all hydraulic brake systems with the exception or those where a mineral oil-based fluid is required. It is suitable for use where the vehicle manufacturer specifies DOT 3 fluids. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

TRUST DOT-3 T5

PACKING	225GM	485GM
---------	-------	-------

Description : TRUST DOT 3 T5 is a premium quality type of hydraulic fluid used in hydraulic brake and clutch applications in automobiles, motorcycles, light trucks, and some bicycles. It is used to transfer force into pressure. It is recommended for complete fluid replacement and "top-up" in most cars and light trucks.

Application : TRUST DOT 3 T5 is formulated for use in automotive disc brake systems and all hydraulic brake systems with the exception or those where a mineral oil-based fluid is required. It is suitable for use where the vehicle manufacturer specifies DOT 3 T5 fluids. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

TRUST Super 105 DOT 3

PACKING	225GM	485GM
---------	-------	-------

Description : TRUST Super 105 DOT 3 is a premium quality type of hydraulic fluid used in hydraulic brake and clutch applications in automobiles, motorcycles, light trucks, and some bicycles. It is used to transfer force into pressure. It is recommended for complete fluid replacement and "top-up" in most cars and light trucks.

Application : TRUST Super 105 DOT 3 is formulated for use in automotive disc brake systems and all hydraulic It is suitable brake systems with the exception or those where a mineral oil-based fluid is required. for use where the vehicle manufacturer specifies DOT 3 fluids. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.

TRUST DOT-4

PACKING	250ML	500ML
---------	-------	-------

Description : TRUST DOT 4 is a premium quality type of hydraulic fluid used in hydraulic brake and clutch applications in automobiles, motorcycles, light trucks, and some bicycles. It is used to transfer force into pressure. It is recommended for complete fluid replacement and "top-up" in most cars and light trucks.

Application : TRUST DOT 4 is formulated for use in automotive disc brake systems and all hydraulic brake systems with the exception or those where a mineral oil-based fluid is required. It is suitable for use where the vehicle manufacturer specifies DOT 4 fluids. Recommended by the top Japanese, Korean, European and American vehicle manufacturers.
